

PRODUCT INFORMATION SHEET: BALANCING FACIAL TONER

Balance skin, refine your pores, clear blemishes or combat wrinkles with EcoSisters™ Facial Toners, infused with essential oils for your specific skin type. Use after cleansing your skin for a complete skin care regimen.

We offer 5 different formulas tailored to your skin type:

- **Balancing Facial Toner for Normal to Dry Skin Ingredient Properties:**
 - **Patchouli Water:** 100% preservative free. This earthy floral water is comprised of patchouli essential oil suspended in water and is beneficial to normal and dry skin. Provides a light tonic effect and cleanses the skin.
 - **Essential oil of Sandalwood and Palmarosa:** Beneficial to normal and dry skin, helping to maintain well-balanced skin as well as nourish dry skin. Promotes hydration and moisture. 100% pure. Steam-distilled.
- **Balancing Facial Toner for Oily/Acne Prone Skin Ingredient Properties:**
 - **Witch Hazel Hydrosol:** 100% pure steam-distilled witch hazel from a blend of wild-harvested bark and leaves of the witch hazel shrub (*hamamelis virginiana*). This natural astringent helps cleanse and tighten facial pores, making it perfect for those with oily or acne prone skin. This product does contain 1% or less by volume of the following two food grade preservatives which are natural organic compounds: potassium sorbate (a naturally occurring fatty acid) and ascorbic acid (Vitamin C). No other preservatives or fillers are added.
 - **Essential Oil of Lemongrass, Palma Rosa, Juniper, & Tea Tree:** Has an astringent and healing effect on the skin, helping oily and acne prone skin return to a well-balanced state. 100% pure. Steam-distilled.
- **Balancing Facial Toner for Blemished Skin Ingredient Properties:**
 - **Lavender Water:** 100% preservative free. Comprised of lavender essential oil suspended in water, providing a calming, floral scent. This water has antibacterial and anti-inflammatory properties and soothes & heals the skin, making it a perfect toner for those with blemished skin.
 - **Essential Oil of Lavender, Juniper, & Clary sage:** Imparts antiseptic, astringent, & healing benefits to the skin. 100% pure. Steam-distilled.
- **Anti-Aging Facial Toner for Mature Skin:**
 - **Rose Hydrosol:** Steamed-distilled in small batches from certified organic, *Rosa centifolia* petals. Has mild tonic and cleansing properties, and soothes and heals the skin. Rose oil (the active ingredient in this product) is known for its lovely scent and skin soothing benefits. This water does contain a 1% blend of three food grade preservatives, which are natural organic compounds: potassium sorbate (a naturally occurring fatty acid), sorbic acid and citric acid (Vitamin C). No other preservatives or fillers are added.
 - **Essential Oil of Frankincense, Sandalwood, Rosewood, & Lavender:** Helps to maintain collagen and encourage cellular regeneration to rejuvenate the skin. Aids in reducing the appearance of fine lines & wrinkles. 100% pure. Steam-distilled.
